Re: CommScope, Inc. v. Rosenberger Technology (Kunshan) Co. Ltd., et al.
Civil Action No. 2:19-cv-15962-MCA-LDW

Dear Judge Wettre,

CommScope and Rosenberger respectfully request that the Court vacate the February 5th conference and schedule a conference to address any outstanding discovery disputes during the first week of March. The parties have exchanged discovery requests and have agreed on a timeline to exchange proposed lists of custodians and search terms. But the parties do not currently anticipate having disputes regarding search terms and custodians that will be ripe for the Court's resolution on February 5th. Of course, if you have questions, the parties will be happy to address them. Thank you for your time and attention to this matter.

Respectfully submitted,

NORRIS McLAUGHLIN, P.A.
